*USAT Liberty was a United States Army cargo ship torpedoed by a Japanese submarine in January 1942 and beached on the island of Bali. She is now Bali's most famous dive site and lays in 10 to 30m of water close to the rocky shore of Tulamben.*

*Manta Point, Nusa Penida is an amazing dive spot that attracts Mantas all year round. These graceful giants are filter feeders and eat large quantities of zooplankton and can reach a width of 5 to 7.*

*Hermit Crab on a night dive Tulamben*

*Bali's surrounding waters have more than 40 dive sites to explore.*

*The average water temp in May ranges between 23 & 28 degrees.*

*OK Divers Resort and Spa - Pandanbai*
